# 096 single-sided display

- Showcase ROADMASTER tow bars and accessories for optimal sales and customer demonstration. Includes hooks, literature rack and silicone storage rack.

- Display ships free with qualifying order. Dealer must purchase two tow bars and product to fill display. Bars and product can be ordered through distribution or from Roadmaster.

- Along with your display, Roadmaster will ship two display tow bars at no charge that match the two you ordered for stock. They are perfect for demonstration but have been modified so they cannot be used for an actual installation.
